

Household Pet Exhibitor Enrollment Form

The Midwest Region of CFA welcomes you and your pet to our Household Pet Classes. We treasure each and every Household Pet Entry. Our HHP classes encompass a wide diversity of cats ranging from house cats, to feral cats, to pedigreed cats. Any mixed breed cat or pedigreed cat with a trait preventing them from showing in regular competition may compete in the HHP class. They must be at least 4 months of age to compete and they must be spayed or neutered by age 8 months of age to compete. The main considerations for HHPs are that they should be healthy, well-groomed and easily handled by strangers. The Midwest Region awards the top 15 regional HHP awards at the end of each show year, which are presented at the Midwest Region's Annual Awards Banquet.

- For more information and the rules for showing your HHP in this region go to our web page on the Midwest Region's site at <http://www.cfamidwest.org/hhp.html> . It also has the scoring procedures and the current rankings for the cats in the Midwest Region.
- We also have an e-mail list for HHPs on Yahoo. You can find out more information by joining the national e-mail list at <http://pets.groups.yahoo.com/groups/HHPnCFA/> or MW Regional e-mailing MWHHP-subscribe@yahoogroups.com or by e-mailing Gail Rothman at leclubfur@aol.com

To keep track of your scores throughout the show year, and to notify you in the event your cat wins a Regional Award, we need your contact information. We also would like to have a support network. This allows you to contact other HHP exhibitors with questions prior to or during a show. Many of us are available at most shows, and can help you with anything from setting up your show cage to show protocol. Please fill out the information below and return it to Gail Rothman either at a show, send to 905 S Cavalier Dr, Springfield, MO 65802. You can also scan the registration form, fill it out, scan it, save it as a document or pdf file and email it to me at leclubfur@aol.com. If you would like to see the past HHP winners go to <http://www.cfamidwest.org/cats.html> and click on the Household Pet Link for past years. You can also find a great deal information on the CFA main web site under the Exhibitor's Corner. See <http://www.cfainc.org/exhibitors/index.html>

Clip and return this section to Gail Rothman with a picture of your cat. Send digital photos to leclubfur@aol.com or mail to 905 S Cavalier Dr, Springfield, MO 65802 or call 417-883-1157 with any questions.
